RE: MUR 5335R
Geoff Davis 2002 (a.k.a. Geoff Davis for Congress
Committee) and Joe Green, Treasurer (a.k.a. Jody
Green)

Dear Mr. Robinson:

We are in receipt of your client's sworn affidavit and request for pre-probable cause conciliation. Our office will be preparing a recommendation to present to the Commission in the near future. To assist in that regard, we first need to clarify a few issues.

In Mr. Green's affidavit, he indicated that in accordance with the Committee's standard operating procedures, a "best efforts" form was mailed out in reference to the Shehans' contributions. Please specify the address to which that form was mailed. Also explain how the Committee ascertained Georgia and Suzannah Shehan's addresses as disclosed in Schedule A of the Committee's October Quarterly Report filed with the Commission.

In addition, we have information that the Committee's campaign consultant, Marc Wilson, may have stated in a conversation that it was acceptable for parents to contribute to the Committee on behalf of their children. Please address whether Mr. Wilson made any such statement or had conversations on that subject with anyone. Also address whether anyone else with the Committee ever conveyed any such information to anyone. Please have Mr. Wilson, and any other individuals who can provide information in this regard, describe the details of any such statements or conversations and provide any other relevant information they would like the Commission to consider.

As with our previous request for additional information, all responses addressing these issues must be submitted in writing and under oath. We would appreciate a prompt response to this correspondence to expedite this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Ana J. Peña-Wallace".
